INTRODUCTION

1. Brief History

1.a Background

As provided by the Government of India Act 1919, the Lee Commission was constituted in 1923 under the Chairmanship of Lord Lee for the purpose of formulating principles / terms and conditions of Public Service and submitted its report in 1924 A.D. This led to the establishment of the first Public Service Commission on October, 1926 under the Chairmanship of Sir Ross Barker. The limited advisory function accorded to the Public Service Commission and the continued stress on this aspect by the leaders of our freedom movement resulted in the setting up of a Federal Public Service Commission and also Public Service Commission at the Provincial level under the Govt. of India Act, 1935. After Independence, the Constituent Assembly visualized the need for giving a secure and autonomous status to Public Service Commission, both at the Central and at the State level, for ensuring free and fair recruitment for the Public Service as well as for protecting the rights of Civil Servants, thus Public Service Commission was given a Constitutional status by promulgation of Constitution of India on 26 January, 1950.

NEW INITIATIVE BY THE COMMISSION IN RECENT YEARS

Key initiatives by the Tripura Public Service Commission during recent years for improving efficiency, transparency and Fast tracking the Examination Process are:-

1. INTRODUCTION OF ONLINE SYSTEM FOR FILLING UP OF APPLICATION AND E- ADMIT CARD GENERATING SYSTEM IN VARIOUS EXAMINATIONS:

TPSC has introduced Online System for filling up of applications in all examinations conducted by the TPSC and also the auto generating system of e-admit card. The system facilitates submission of applications by the candidates from their locations and it generates e-admit card which helps the candidate to track their Exam. centre, date and time of the Examination etc. well in advance. Earlier, the candidates had to collect application forms from Banks and deposit fee in the Banks which caused lot of inconvenience in applying to the TPSC exams. With online system of filling the application forms, the processing time has reduced considerably and it has increased accuracy of data. Further, the admit cards used to be generated manually and sent to candidates through posts which caused delay. But now all admit cards are generated online and candidate can download it sitting at his home.

2. INTRODUCTION OF CCTV IN COMMISSION'S PREMISES:-

The Commission has upgraded its own Examination Hall by installation of CCTV for secured, transparent and maintaining proper Examination system to be monitored centrally. Further, the CCTV has also been installed at key locations in the building for 24 hours monitoring and maintaining security.

3. CENTRALIZED EVALUATION SYSTEM:-

The Commission has introduced Centralized Evaluation System for speedy completion of Recruitment process with utmost security in TPSC building itself. Earlier the answer scripts used to be sent to the Examiners at their place for evaluation, who used to take their own time in evaluation and also there was risk of its loss and maintaining confidentiality. Now the evaluation is done in-house in TPSC building with utmost security and confidentiality and in a time bound manner. This has increased the credibility of the system and considerably reduced the time for completing the examination process within a year.

4. UPGRADATION OF THE WEBSITE OF THE COMMISSION:-

The website of the Tripura Public Service Commission is being upgraded from static mode to dynamic mode which would make the website more user friendly and user oriented. The work is under process and likely to be completed soon.

5. INTRODUCTION OF NEW EXAMINATION CENTRE AT AMBASSA, DHARMANAGAR AND BELONIA:-

In order to cater to the needs of candidates from remote locations, a new examination centre at Ambassa, Dhalai District and Dharmanagar, North Tripura District opened in the year 2019 and 2020 respectively. Another new examination centre at Belonia, South Tripura District will be introduced from next major examination.

ACKNOWLEDGEMENT

The Commission would like to place on record its sincere thanks to the Hon'ble Ministers and Departments, Government of Tripura, other State Public Service Commissions, Universities and other institutions for the valuable help and co-operation rendered by them, without which it would not have been possible to discharge its Constitutional functions.

The Commission also expresses its deep appreciation of the hard works and efficient performances rendered by the officers and other staff members of the Tripura Public Service Commission.
