INTRODUCTION

1. Brief History

1.a Background

As provided by the Government of India Act 1919, the Lee Commission was constituted in 1923 under the Chairmanship of Lord Lee for the purpose of formulating principles / terms and conditions of Public Service and submitted its report in 1924 A.D. This led to the establishment of the first Public Service Commission on October, 1926 under the Chairmanship of Sir Ross Barker. The limited advisory function accorded to the Public Service Commission and the continued stress on this aspect by the leaders of our freedom movement resulted in the setting up of a Federal Public Service Commission and also Public Service Commission at the Provincial level under the Govt. of India Act, 1935. After Independence, the Constituent Assembly visualized the need for giving a secure and autonomous status to Public Service Commission, both at the Central and at the State level, for ensuring free and fair recruitment for the Public Service as well as for protecting the rights of Civil Servants, thus Public Service Commission was given a Constitutional status by promulgation of Constitution of India on 26th January, 1950.

The Chairman and Members so appointed are assisted by a Secretariat headed by the Secretary.
