INTRODUCTION

1. Brief History

1.a Background

As provided by the Government of India Act 1919, the Lee Commission was constituted in 1923 under the Chairmanship of Lord Lee for the purpose of formulating principles / terms and conditions of Public Service and submitted its report in 1924 A.D. This led to the establishment of the first Public Service Commission on October, 1926 under the Chairmanship of Sir Ross Barker. The limited advisory function accorded to the Public Service Commission and the continued stress on this aspect by the leaders of our freedom movement resulted in the setting up of a Federal Public Service Commission and also Public Service Commission at the Provincial level under the Govt. of India Act, 1935. After Independence, the Constituent Assembly visualized the need for giving a secure and autonomous status to Public Service Commission, both at the Central and at the State level, for ensuring free and fair recruitment for the Public Service as well as for protecting the rights of Civil Servants, thus Public Service Commission was given a Constitutional status by promulgation of Constitution of India on 26 January, 1950.

Under Part XIV, Chapter I and in Articles 308 to 314 of the Constitution of India, the matter related to services under the Union and the States such as recruitment and conditions of service or person serving, tenure of office of persons serving, dismissal, removal or reduction in rank of persons employed have been provided.

PROBLEMS OF RURAL CANDIDATES AND THE COMMISSION'S VIEW ABOUT THE REMEDIES

Regarding the problem of rural candidates and its remedial measures etc. the Commission had pointed out in its earlier reports and this year also, the position remained unchanged. During the year under report, the Commission reiterated its earlier view regarding the poor performance of the candidates who were coming from rural areas. Generally speaking, their performance was not as good as those who were coming from urban areas in Interviews/Personality Test.

1. Reason for Relatively Poor Performance of Rural Candidates:-

The Commission is of the opinion that the reason for relatively poor performance of rural candidates in Interview/Personality Test are as follows:-

- (i) Non availability of reference books, Library facilities, Newspapers, Journals (particularly all India Newspapers) in rural areas specially in remote villages.
- (ii) Lack of opportunities to associate themselves with Institutions /Organizations which help in the development of art of expression of ideas/thoughts in an articulate and cogent manner. It is also observed by the Commission that information regarding advertisement does not reach to the candidates in rural areas in time even though such advertisements are published in several local dailies and also broadcast/telecast through All India Radio and Doordarshan and uploaded in the website of the TPSC. The Commission also noticed that sufficient number of qualified candidates are not available for reserved vacancies particularly, those requiring technical qualifications.

2. The Commission's Suggestions:-

The Commission suggested that the following steps may be taken by the Government to thwart the problems of candidates coming from rural areas, especially remote villages.

- (a) Government may publish monthly News Bulletin covering information about employment opportunities, under the State as well as Central Government which may be widely circulated through Block and Panchayat Agencies. The posts advertised by the T.P.S.C., U.P.S.C., and Staff Selection Commission, etc. may also be published through the News Bulletin.
- (b) Coaching facilities may be provided not only at District level but also at the Panchayat level to up-grade the standard of knowledge of rural candidates. The candidates should be aware of the employment opportunities and competitive examinations held by the different Agencies. Syllabus of important Competitive Examinations and specimen questions and model answers may be published and distributed by the Government in rural areas at nominal cost.
- (c) Steps may be taken to strengthen the Panchayat Libraries. Books and periodicals related to competitive examinations may be available with these libraries.
- (d) SC/ST students ,particularly, who are from remote villages may be encouraged to take up Technical/ Professional Courses of education so that adequate number of such candidates become available for filling up of the reserved posts in course of time. Government Departments sponsoring candidates for technical education/training may ensure that adequate numbers of ST/SC candidates are sponsored for such courses so that there is no shortage of ST/SC candidates for appointment to Technical posts.
- (e) The Commission reiterates the problems stated above in its earlier reports. Therefore, the Government may take special endeavor to take positive steps to implement the advice/suggestions of the Commission.

NEW INITIATIVE BY THE COMMISSION IN THE PRESENT YEAR (1ST APRIL, 2019 TO 31ST MARCH, 2020)

Key initiatives by the Tripura Public Service Commission during last one year for improving efficiency, transparency and Fast tracking the Examination Process are:-

1. INTRODUCTION OF ONLINE SYSTEM FOR FILLING UP OF APPLICATION AND E- ADMIT CARD GENERATING SYSTEM IN VARIOUS EXAMINATIONS:

TPSC has introduced Online System for filling up of applications in all examinations conducted by the TPSC and also the auto generating system of e- admit card. The system facilitates submission of applications by the candidates from their locations and it generates e- admit card which helps the candidate to track their Exam. centre, date and time of the Examination etc. well in advance. Earlier, the candidates had to collect application forms from Banks and deposit fee in the Banks which caused lot of inconvenience in applying to the TPSC exams. With online system of filling the application forms, the processing time has reduced considerably and it has increased accuracy of data. Further, the admit cards used to be generated manually and sent to candidates through posts which caused delay. But now all admit cards are generated online and candidate can download it sitting at his home.

2. RATIONALIZATION OF THE SYLLABUS FOR SELECTION PROCESS OF TCS GRADE - II AND TPS GRADE - II:

TPSC has simplified the procedure for selection of candidates to the post of Tripura Civil Service and Tripura Police Service Grade-II. The revised syllabus consists of 08 compulsory papers only against existing 56 papers with optional subjects. This has resulted in level playing field to all the candidates irrespective of their subject. Further, it has reduced the time taken in setting question papers as well as reduced the time in evaluation of answer scripts.

3. INTRODUCTION OF CCTV IN COMMISSION'S PREMISES:-

The Commission has upgraded its own Examination Hall by installation of CCTV for secured, transparent and maintaining proper Examination system to be monitored centrally. Further, the CCTV has also been installed at key locations in the building for 24 hours monitoring and maintaining security.

4. CENTRALIZED EVALUATION SYSTEM:-

The Commission has introduced Centralized Evaluation System for speedy completion of Recruitment process with utmost security in TPSC building itself. Earlier the answer scripts used to be sent to the Examiners at their place for evaluation, who used to take their own time in evaluation and also there was risk of its loss and maintaining confidentiality. Now the evaluation is done in-house in TPSC building with utmost security and confidentiality and in a time bound manner. This has increased the credibility of the system and considerably reduced the time for completing the examination process within a year.

5. UPGRADATION OF THE WEBSITE OF THE COMMISSION:

The website of the Tripura Public Service Commission is being upgraded from static mode to dynamic mode which would make the website more user friendly and user oriented. The work is under process and likely to be completed soon.

6. INTRODUCTION OF NEW EXAMINATION CENTRE AT AMBASSA AND DHARMANAGAR:

In order to cater to the needs of candidates from remote locations , a new examination centre at Ambassa, Dhalai District was opened in 2019. Another new examination centre at Dharmanagar will be introduced from next major examination.

ACKNOWLEDGEMENT

The Commission would like to place on record its sincere thanks to the Hon'ble Ministers and Departments, Government of Tripura, other State Public Service Commissions, Universities and other institutions for the valuable help and co-operation rendered by them, without which it would not have been possible to discharge its Constitutional functions.
